WORK EXPERIENCE

Clothier (2021)

I worked as a clothier which was located at dallu , kathmandu . Clothier job mostly included communication and customer interaction. The shop name was R.N fashion store. I worked as a clothier for only a year and focused on studies.

a clothier plays a crucial role in the fashion industry by bringing clothing designs to life and ensuring that garments fit perfectly and meet clients' expectations. This profession requires a blend of technical skills, creativity, and a keen eye for detail.

EDUCATIONAL HISTORY

Bachelor in Computer Application(2022-Now)

i am currently under graduation in Bachelor in computer application(BCA). I am studying in Kathmandu College of Central State. A Bachelor of Computer Applications (BCA) is a popular undergraduate degree program that focuses on computer science and information technology.

High School Diploma (2020-2022)

I studied my high school in Viswa Niketan Secondary School . I picked management course with computer science as a major . Computer Science in the +2 level (equivalent to 11th and 12th grade or high school in some education systems) is an introductory course that provides students with foundational knowledge and skills in computing and information technology.

Junior School Diploma (2018-2020)

I studied my high school in Laboratory Higher Secondary School . I picked computer science and Optional maths in replacement for Account and Economics.
